

Collection

astep[®]

In its refined simplicity, Model 537 stands out owing to the combination of rich materials and ingenious, playful design. The large aluminium reflector in black or white is mounted asymmetrically on a lacquered or brushed brass stem, which is carefully twisted in a beautiful balancing act, coming to rest on an elegant marble base.

Model 537

Gino Sarfatti, 1950/2019

Specifications / Tribute / Gino Sarfatti Collection
